

Fab Consultation

Stratio provides device fabrication and consultation services for R&D and small volume production.

1863 Concourse Dr, San Jose, CA 95131

Sales@stratiotechnology.com

Available Services

- Wafer Size

6inch, 4inch

- Mask design/production for lithography

- Film Deposition

SiO₂

Polysilicon

Nitride

High-k (Al₂O₃, HfO₂, TiO₂)

Metal (Au, Al, Ti, TiN, W)

Epitaxial Growth (Si, Ge)

- Annealing

Rapid Thermal Annealing (RTA)

Furnace

- Dry Etching

SiO₂

Nitride

Polysilicon

Metal

- Wet Etching

HF

KOH

TMAH

- Ion Implantation

P, B, BF₂, H

- Metrology

Optical Microscopy

Scanning Electron Microscopy

Ellipsometry

- Packaging

Wafer Dicing

Wafer Bonding
